S.J. Amoroso Construction Co., Inc. is bidding the above referenced project. We are actively pursuing compliance with the S/LBE & DVBE business goals and would appreciate your bid on this project.

PROJECT DESCRIPTION:

The project consists of the following: Abatement and demolition scope includes removal of contaminated soil and asphalt paving, as well as selective foundation demolition. New construction consists of, but is not limited to, the construction of 5 new buildings inclusive of: classroom buildings, performing arts center, cafeteria/kitchen, library, and gymnasiums. Scope also includes, compaction, rough and finish grading, import and export of soil, installation of underground utilities, new concrete foundations; tilt-up and steel framed building systems; new flooring, curtain walls, doors, frames, and hardware; new HVAC, plumbing, electrical, fire protection, low-voltage systems/equipment and conduit infrastructure for new intrusion detection system, including full commissioning and connectivity to central station monitoring center. In addition to related site work, ac paving, parking improvements, striping, concrete curbs, exterior lighting, and landscaping. The project scope includes a central chiller plant with campus-wide distribution. Work includes Pinole Valley Road curb and gutter removal and replacement, new curb, gutter and sidewalk, curb ramp construction, cold milling, asphalt-concrete street resurfacing, crack filling, roadway striping, AC pavement reconstruction, intersection controls systems, and other items as required by the Plans and specifications.

We are willing to break out certain portions of work into smaller increments in order to allow smaller companies a fair opportunity to bid this project and are prepared to assist subcontractors with bonding, credit, and insurance. Plans are available for viewing in many local builders exchanges (for a list of builders' exchanges contact our office). Bid documents may be obtained through BPXpress. Contractors will be required to pay (\$950 per set) for contract documents at time of pick-up or before delivery. For more information pertaining to the contract documents contact Juan Garrahan (510) 307-4540. Contract documents may also be obtained from our office by contacting Hayden Olsen at holsen@sjamoroso.com

S.J. Amoroso Construction Co., Inc. (Amoroso) may require subcontractors to provide 100% Payment & Performance Bonds, from a California admitted surety with an AM Best rating of A-VII or better, as a condition of contract. Amoroso is signatory to the Carpenter's Collective Bargaining Agreement. Amoroso strongly encourages the use of qualified M/W/D/O/S/DVBE subcontractors and vendors. Please include the use of qualified M/W/D/O/S/DVBE suppliers and lower tier subcontractors where applicable. It is the subcontractor's responsibility to review the Owner's General and Special Conditions for this project, as they will be binding. Subcontractors will also be required to execute Amoroso's standard Subcontract Agreement and comply with Amoroso's standard insurance requirements, both without modification, should we both be awarded this project. These documents can be found on our website, www.sjamoroso.com. Amoroso's listing of a subcontractor is not to be construed as an acceptance of all of the sub's conditions or exceptions included with the price quote. Per California Labor Code 1771.1: A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. Provide CA License & DIR Certification Numbers with proposals.

WE ARE AN EQUAL OPPORTUNITY EMPLOYER.
