S.J. Amoroso Construction Co., Inc. is bidding the above referenced project. We are actively pursuing compliance with the SBE/DBE business goals and would appreciate your bid on this project.

PROJECT DESCRIPTION:

The project entails the construction of a new Physical Education building and repurposing of existing Racquetball Building (Wellness Center). At approximately 45,000 square feet, the facilities will be located at the northeast part of campus and include a spectator gymnasium, a fitness center, locker and team rooms, training room, offices and labs. Contractor must coordinate its work with a scheduled power shut-down, as well as ongoing day-to-day operations of an active school site.

We are willing to break out certain portions of work into smaller increments in order to allow smaller companies a fair opportunity to bid this project and are prepared to assist subcontractors with bonding, credit, and insurance. Plans are available for viewing in many local builders exchanges (for a list of builders' exchanges contact our office). Bid documents may be obtained by following SJECCD's Link: <http://www.sjeccd.edu/district-services/fiscal-services/purchasing-bids>. The Project documents can also be viewed on the Dodge, or by emailing Hayden Olsen at holsen@sjamoroso.com.

S.J. Amoroso Construction Co., Inc. (Amoroso) may require subcontractors to provide 100% Payment & Performance Bonds, from a California admitted surety with an AM Best rating of A-VII or better, as a condition of contract. Amoroso is signatory to the Carpenter's Collective Bargaining Agreement. Amoroso strongly encourages the use of qualified M/W/D/O/S/DVBE subcontractors and vendors. Please include the use of qualified M/W/D/O/S/DVBE suppliers and lower tier subcontractors where applicable. It is the subcontractor's responsibility to review the Owner's General and Special Conditions for this project, as they will be binding. Subcontractors will also be required to execute Amoroso's standard Subcontract Agreement and comply with Amoroso's standard insurance requirements, both without modification, should we both be awarded this project. These documents can be found on our website, www.sjamoroso.com. Amoroso's listing of a subcontractor is not to be construed as an acceptance of all of the sub's conditions or exceptions included with the price quote. Per California Labor Code 1771.1: A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. Provide CA License & DIR Certification Numbers with proposals.

WE ARE AN EQUAL OPPORTUNITY EMPLOYER.
